

AL-FURAT AL-AWSAT TECHNICAL UNIVERSITY (ATU)

In accordance with the strategic commitment of Al-Furat Al-Awsat Technical University (ATU) to advance the UN Sustainable Development Goals (SDGs), ATU formally documents the active operations of the ATU Student Society for Sustainability & Green Environment (ATU-SSGE).

ATU-SSGE is established as an officially recognized, student-led, and student-operated campus organization. It serves as the primary student vehicle for implementing green campus initiatives, reducing environmental impacts, and driving climate action across ATU's technical colleges and institutes in the Middle Euphrates region.

Verified Public Links & Institutional Portals

To ensure full compliance with QS verification criteria, the primary documentation, strategic plan, and activities are integrated directly into ATU's official web domain:

- ATU Sustainability Master Portal: <https://sustainability.atu.edu.iq/>
Hosting the Green Campus Initiative, student recycling campaigns, and SDG performance metrics.
- ATU Sustainable Development Unit & 5-Year Strategy (2022-2027):
https://idi.atu.edu.iq/?page_id=44811&lang=en
Framework mandating student-led participation in campus sustainability and environmental protection.
- Institute Green Campus Vision & Student Engagement:
<https://ikr.atu.edu.iq/en/vision-mission-goals/>
Institutional policy supporting student-led green space development and green-university standards.
- Student Green Step Initiative Web Report: <https://idi.atu.edu.iq/?p=39087&lang=en>
Verifiable public reporting of student voluntary environmental initiatives.

Society Governance & Student Leadership

The society operates under a student-led charter, governed independently by elected student representatives across technical faculties:

- President (Student): Manages society strategies, initiative scheduling, and reporting to the university portal.

- Vice President (Student): Coordinates student committee activities across technical colleges and institutes.
- Technical & Recycling Director (Student): Directs e-waste collection, smart recycling, and technical prototyping projects.
- Media & Outreach Coordinator (Student): Publishes event coverage, student campaigns, and workshop documentation on the university's official sustainability portal.
- Advisor (Faculty Panel): Provided by the ATU Sustainable Development Unit (https://idi.atu.edu.iq/?page_id=44811&lang=en) to ensure alignment without restricting student autonomy.

Core Student-Led Initiatives & Evidence Matrix

The following table provides verified evidence of student-led projects operating within ATU's official framework:

Initiative Title	Scope & Student Leadership	Target UN SDGs	Public Verification Source
Green Campus Initiative & Afforestation	Student-led tree cultivation and green area expansion to improve campus environment and microclimate.	SDG 15: Life on Land SDG 13: Climate Action	Published on ATU Sustainability Portal and Student Green Step Report
Smart Campus Waste & Recycling Drive	Student voluntary drives for waste separation, paper reduction, and e-waste management in technical departments.	SDG 12: Responsible Consumption and Production	Documented in ATU Sustainable Development Strategy
Student Renewable Energy & Solar Workshops	Peer-to-peer technical workshops on solar energy adoption and campus energy	SDG 7: Affordable & Clean Energy SDG 4: Quality Education	Reported on Institute Sustainability Portal

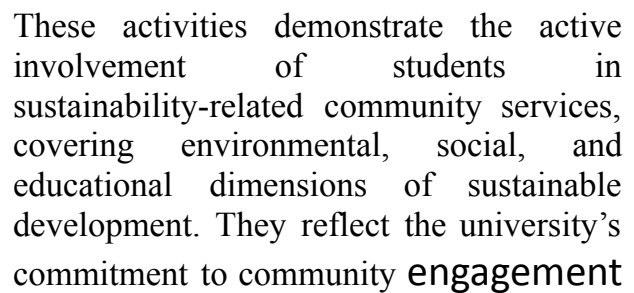

Initiative Title	Scope & Student Leadership	Target UN SDGs	Public Verification Source
	conservation.		
Green Tech & Applied Innovation Expo	Exhibition of student-designed technical solutions, recycling prototypes, and environmental graduation projects.	SDG 9: Industry, Innovation & Infrastructure	Archived under <u>ATU Technical Development Mission</u>

- Al-Furat Al-Awsat Technical University has a commitment to meaningful education around the SDGs across the university, that is relevant and applicable to all students & Public as courses, workshops, festivals, exhibitions, awareness activities,...etc

Activity
Iraqi International Biennale Event
Awareness and Community Seminars
Student Participation in International and Community Activities
Cultural and Social Engagement Activities

- Use mosquito nets while sleeping
- Wear long-sleeved clothing and trousers in infected areas
- Use insect repellents
- Take preventive medications before, during, and after travel to high-risk regions

and sustainable impact beyond the campus boundaries.

Numbers of different community services project AL-Furat AL-Awsat Technical university organized with participation of Local Community, Staff, & Students to save the environment and achieve sustainability.

Community Name	Total Participant	Duration	Services Area
Women Rights & Projects	340	Weekly	Education and Research
Workshops & Courses on Sustainability	2207	Weekly	Energy and Climate Change
Clinical & Healthy Services For Community	508	Weekly	Education and Research
Awareness Committees	349	Monthly	Education and Research
Gardening	400	Monthly	Setting and Infrastructure
Infrastructure	313	Monthly	Setting and Infrastructure
Second Hand Shops	454	3 days per 4 months	Setting and Infrastructure
Renewable Energy for Community	177	Monthly	Energy and Climate Change

Institutional Support & Resource Allocation

ATU supports student-led sustainability activities through:

- Dedicated physical meeting rooms and lab space across institutes.
- Budget allocation for planting materials, recycling bins, and technical prototyping.
- Official certification issued by the ATU Sustainable Development Unit for active student volunteers.

Career Rehabilitation Centers for University Faculties:
